SUBJECT : Draft Outline for Economic Defense Supplementary
Intelligence Collection and Reporting

1. Enclosed herewith is an outline which has been prepared by the Staff of the Economic Defense Division, CIA for the purpose of identifying the principal targets for possible CIA collection in the field of East-West trade intelligence. This outline may be useful in crystallizing recommendations by the agencies participating in the diversion control program relative to their requirements for further intelligence collection.

2. The Chairman of the DCN is requested to provide the CIA representative with a statement setting forth conclusions which may be developed from a consideration of this subject.

Acting Executive Secretary, EDIC
